Constitution and Bylaws

The Dock Baptist Association

ARTICLE I - NAME

The body shall be denominational and known as the Dock Baptist Association. It shall be composed of lawfully organized Southern Baptist Churches.

ARTICLE II - PURPOSE

The purpose of the association shall be to counsel together for the enlargement, expansion, and strengthening of the work of our Lord; to promote unity, growth, and fellowship among the churches, to engage in cooperative mission activities which cannot be accomplished by member churches acting independently, and to further the spirit of cooperation with the Baptist work in general as set forth by the Baptist State Convention of North Carolina and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The membership of the association shall be composed of messengers who are representatives to the association from her affiliated churches. The number of messengers from each church shall be as follows: three messengers for the first 100 members or fractions thereof, and one additional messenger for each additional 100 members or major fraction thereof. Such messengers shall be duly certified in the annual letters sent by the churches to the annual business session of the association. All ordained pastors of each church composing this body shall also be allowed voting privileges. The courtesies of the floor may be extended at the discretion of the body to representatives of our denominational interests, and also to ministers and members of other Christian organizations.

ARTICLE IV - NEW CHURCHES

Churches may be received into the fellowship of this association only after having been under the watchcare of the association for one full year. Application for membership shall be made through the General Board of the association. Churches under the watchcare of the association shall make a written quarterly report of their progress and cooperative efforts in the work to the General Board, which meets on the second Friday night in February, May, August and November of each year.

ARTICLE V - AUTHORITY

1. The association shall be a cooperative body for the purpose of fellowship, promotion, and counsel among the churches. It shall in no case control or direct a church with reference to its own government or internal policy. However, the association may upon invitation of a church send a committee to counsel with and advise that church.
2. A church may withdraw membership from the association upon presentation of a written request.
3. The association may withdraw fellowship from a church for a just cause upon recommendation of the General Board and upon approval of same by a majority vote of the membership of the association in the annual business session present and voting.

ARTICLE IV - OFFICERS

1. The General Oficers of the association shall be a *Moderator,* a *Vice-moderator,* and a *Clerk/Treasurer,* each elected to a two year term at the annual business session of the association, and a *Director of Missions,* who is not subject to annual election, but can be removed from office at any regular General Board meeting to be approved by the association in either the Spring or Fall meeting. The Moderator and Vice-moderator shall be elected for one two-year and cannot immediately succeed themselves after serving the two-year term. The Vice-Moderator shall be elevated to Moderator after serving two-year term as Vice-Moderator. The Moderator should be a model Christian with leadership capabilities.

2. The MODERATOR shall preside over the sessions of the association. He shall act as parliamentarian or appoint a parliamentarian at his discretion. He shall also be the chairman of all committees of the association. He shall appoint committees as needs arise and shall have general supervision over the general work of the association. The VICE-MODERATOR shall preside in the absence of the moderator. The CLERK/TREASURER shall record, print, and distribute the annual minutes to the body and shall serve as the secretary of the General Board. The CLERK/TREASURER shall oversee the receiving, recording, and the disbursement of all associational funds. Disbursements not included in the annual budget may only be made upon written order from the chairman of the General Board. He/she shall also present an annual report during the annual business session. The DIRECTOR OF MISSIONS shall administer the work of the association and shall give his support to all offices and committees of the association. He shall (when at all possible) attend the Southern Baptist Convention and the N.C. State Baptist Convention and make a written report to all churches of the association. He shall attend leadership conferences and seminars to better equip himself to properly respond to the needs of the association. The DIRECTOR OF MISSIONS shall cooperate with the churches in the association to see that vacant pulpits are filled and/or supply speakers are provided at the church's request.

3. The general officers shall be nominated by the Nominating Committee. The committee shall make known their nominations at the Spring session, but no vote shall be taken. At the annual business session in the Fall, the committee will again make their report. Immediately following the report further nominations may be made from the floor. In the event of further nominations for an office, nominations for that office shall be voted on individually. The newly elected officers of the association shall take office upon adjournment of the associational annual session.

4. The Departmental Officers of the association shall be nominated by the Nominating Committee each year. These shall be ASSOCIATIONAL SUNDAY SCHOOL DIRECTOR, DISCIPLESHIP TRAINING DIRECTOR, YOUTH DIRECTOR, BROTHERHOOD DIRECTOR, MUSIC DIRECTOR, VBS DIRECTOR and STEWARDSHIP DIRECTOR. The Woman's Missionary Union of the association will elect their Director in their annual meeting. These officers shall constitute the ASSOCIATIONAL COUNCIL.

ARTICLE VII - GENERAL BOARD

1. The association shall have a General Board which shall be charged with the responsibility for carrying on all the business of the association and promoting all work authorized by the association in the interim between annual business sessions.

A report of the General Board shall be presented at the annual business session of the association.

2. The General Board shall be composed of either the pastor or interim pastor and one lay member of each church. The Moderator, Vice-Moderator, Clerk/Treasurer and Director of Missions shall be members of this board.

3. The General Board shall meet quarterly at the assocational office building on the second Friday night in February, May, August and November. Also, the Moderator has the authority to call a special session of the General Board if necessary for a stated purpose when notice of such meetings has been sent to all members.

4. The General Board shall have an Associational Council composed of the Departmental Officers, Moderator, Vice-Moderator, Clerk/Treasurer, and The Director of Missions. The Associational Council will meet on the first Friday night in February, May, August and November at the associational building. It shall coordinate the work of the association and make recommendations to the General Board about programs and promotion of the work of the association.

5. The General Board shall elect from its membership a Budget and Finance Committee at its November meeting. This committee should consist of five members (two of which would be the Moderator and the Clerk/Treasurer). This committee shall survey the needs of the association as presented by different organizations, and shall prepare a budget to be submitted for approval by the General Board. The budget approved at the May meeting of the General Board shall be included among the recommendations of the General Board to the association in the annual business session. The Budget and Finance Committee shall also promote the effective operation of the current budget in cooperation with the associational Clerk/Treasurer.

6. The General Board may name such other committees as it may deem necessary for carrying on its work.

ARTICLE VII - AMENDMENT OR REVISION

This constitution may be amended or revised at any annual business session of the association by a two-thirds majority of the messengers present and voting, providing the proposed amendments or revision shall have been presented in writing to the General Board during their August meeting and approved by a two-thirds majority of the General Board present and voting. If approved each church shall be notified immediately in writing of the proposed amendment or revision which shall be voted on in the annual business session of the association. Any amendment or revision shall take effect immediately upon adoption.

Bylaws

1. All meetings of this body shall be opened with scripture and prayer.

2. The fiscal year shall run from October 1 to September 30 and all annual reports shall conform to the dates of the fiscal year, and shall project programs for the current year. The reports shall be presented by the director for the current year.

3. The messengers shall observe towards the officers and each other that courtesy which becomes Christians.

4. Any messengers wishing to speak shall rise, address the presiding officer, state his/her name and the church which he/she represents. He shall confine himself strictly to the question under consideration, and avoid all personalities.

5. No messenger shall speak more than once on the same question without permission.

6. All motions seconded shall be definitely stated by the presiding officer before discussion.

7. No motion shall be withdrawn after discussion.

8. When a question is under discussion, no motion or proposition shall be received except to adjourn, to lay on the table, to amend, to commit, or to postpone to a definite time.

9. After a motion has been decided, any messenger having voted in the majority may move a reconsideration.

10. All questions except as relate to the Constitution shall be decided by a majority of votes.

11. The association shall have the right to decide what subject shall be admitted to consideration.

12. These bylaws may be altered or amended at any business session of the association by a majority vote.

13. In cases not covered by the Bylaws, *Robert's Rules of Order (Revised),* shall be followed.

1996 SPRING SESSION

The Spring session opened with the congregation singing "Revive Us Again". The Moderator read Mark 7:1-9 and commented on same. Wilson Morris led in prayer. Rev. Glenn Lane gave a very moving devotional from 2 Cor. 6:11-18. He then led in prayer.

Roll call reflected 17 churches present. Riverside was not represented. The Moderator then announced that the meetings were swapped for the Spring & Fall session due to a conflict in scheduling. The fall session will meet at Dulah in October. He then recognized Corbin Cooper as a guest from the State Baptist Convention. This was followed by the congregation singing "O For A Thousand Tongues" and "All Hail the Power: The Moderator then presented the Nominating Committee Report and the Vice Moderator gave some comments. The congregation then sang "Send the Light" and "On Jordan's Stormy Banks". The Moderator then encouraged everyone to attend the Pastor, Deacon, Laymen Conference.

In the absence of Rev. Ray Lundy, Rev. Roger Gilbert delivered the morning message from John 3:1-17 focusing on verse 13 - No one is able to earn salvation. We were dismissed with prayer and returning of thanks for the fellowship meal.

AFTERNOON SESSION

The afternoon session was called to order with the congregation singing "The Old Rugged Cross" followed with prayer led by Rev. Darcey Hardwick. We were then treated to special music by the Mills family from New Life Church.

Christian Action League of North Carolina, Inc

ANNUAL REPORT TO THE ASSOCIATIONS

1996

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track". When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We at the Christian Action League agree that our state and nation need a restoration of biblical, moral and family values. In 1996 we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

A. ***Christian Values***

The Christian Action League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. We experienced a wonderful week as presentations and commemorations were held in many churches, schools and communities across our state. The week culminated with an awards ceremony and reception for the winners of the state-wide essay contest and their families. The League provided decorations and programs for the event and hosted the reception at the State Archives and History Building in Raleigh..

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North Carolina. To date, over 5,000 copies of the 11 X 14 prints have been distributed throughout the state to individuals and churches.

B. ***Lottery***

We saw renewed efforts to push a lottery bill through the General Assembly for a state-wide referendum. Representative Fitch introduced two lottery bills: HB 6060 (Rules Committee) and HB 838 (JII Committee). The League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling. Please keep us in prayer as the League faces this battle each year.

C. ***Sex Education***

CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marriage be the focus in sex education in North Carolina schools and was passed in the 1995 session.. CAL and other pro-family, Christian organizations have been working with the Dept. of Public Instruction and State Board of Education in 1996 encouraging them to implement the law through abstinence-based curricula. We have also assisted communities in seeing that this law is properly implemented at the local level.

D. ***Homosexuality***

CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

Alerted our members in the Winston-Salem area about the Family March on June 30 and encouraged them to notify their churches to participate. This march was in response to the homosexual community march held in that city. The Family March attendance was estimated at 8,000.

E. ***Abortion***

The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. We were disappointed that the bill did not pass this session; however, we will work for its passage again next session.

F. ***Alcohol***

CAL assisted several communities in setting up an organization to combat liquor referendums.

My friends, we are living in times when the Christian community needs to exercise spiritual discernment and stand strong for Biblical principles that further righteousness, strengthen families and bless our state and nation. We are grateful to God for the prayer and financial support that the League receives from the churches of your association that allow us to be on the front lines in this spiritual warfare.

Respectfully Submitted,

Johnny R. Henderson, Executive Director

Making Life for Older Adults...

The Best of Times

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults. During 1996 several developments have moved us toward this goal.

Some new staff members have been added to help provide the kind of total care which residents need and deserve. Tanja Keay has been employed as Vice President of the Health Services Division. Paulette Richmond came as the new manager of the Hamilton Baptist Home. Carla Hyde was named director of the small group program for residents with dementia, a program designed to enhance their quality of life. Patricia Fling is the director of the In Home Care program which began a few months ago. Dr. Earl Watts, an Associate Professor at the Bowman Gray School of Medicine, is serving as the medical director for In Home Care.

Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gertrue Young Solarium at the Rickman Nursing Center in Asheville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the Assisted Living section, and named "Stokes Court", will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in social/recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, First Baptist and Snyder Memorial Baptist, have formed a non-profit corporation to lead this project. A 27 acre site has been selected. Plans call for 105 Independent Living units, 20 beds in Assisted Living, and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent.

Finally, we recognize with deep gratitude those North Carolina Baptists who gave through their churches to support the ministry during the past year. Through the cooperative program, the special February Offering, and other church gifts, the "Homes" received a total of $1,030,052 during the 12 month period ending September 30, 1995.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults...**The Best of Times!**

DIRECTOR OF MISSIONS COMMENTS

First of all, I'd like to take this opportunity to welcome all of you to our Associational meeting and to personally Thank all of you for your prayers and support this past year. As we begin a new associational year I would ask that you continue to pray for me and all the associational workers that you will elect this afternoon. I feel that Satan realizes his day are rapidly coming to an end. For years he has tried to tear the Christian community down and as a last resort he has gotten into the church and is causing strife, and confusion, and division within our very church family. We must constantly stay in prayer and in the Word that we might do the Father's will. As we begin a new church year let's commit ourselves to stay in His Word, to pray as we've never prayed before, and to be doing "missions" in our church, our community, our state, and throughout the world.

For several years the General Board of the Association has left the selecting of someone to bring the Annual Sermon up to the Moderator and myself. When planning this year's session I asked Bro. Grover Faulk, our out-going Moderator, if he would be willing to preach for us and he graciously accepted my invitation. But before Bro. Grover comes this morning, I'd like to just give him a rose or two, so please bear with me. I first met Bro. Grover some 33 years ago. He was doing a radio show on WTAB called Community Gospel Time. From the very beginning he won my respect as a Christian and as a man of God. Through the years this love and respect has grown as I have been associated with him. He has always stood fast in the Word of God and has preached the same message for years without comprise. I guess I could tell you this morning that he has been a role model for me, but we are told not to put our faith in man. So, I have chosen the same role model that Bro. Grover chose many years ago. I have chosen Jesus Christ as my role model, but I have used Bro. Grover as an example of true Christian living. He has blessed me and helped me many times along my pilgrimage and I thank him for that. For years he has worked unselfishly for the betterment of the Dock Association and we all owe him our thanks for this. Too often in life we look back and say "I wish I had done so and so, but it's too late now." So I wanted to do something this morning while we are all in this place. I wanted to give Bro. Grover just a "little rose". So as he comes forward to bring our annual sermon I want to present him with this very small token of our love and admiration. This plague says, "PRESENTED TO REV. GROVER FAULK FOR UNSELFISH SERVICE TO THE DOCK BAPTIST ASSOCIATION - October 26, 1996." Bro. Grover, we appreciate all you have done and are going to do for the advancement of God's kingdom..

REV. J. ALAN GORE,
DIRECTOR OF MISSIONS

1996 DISCIPLESHIP TRAINING REPORT

LAST YEAR I CHALLENGED YOU TO EVALUATE YOURSELF AND YOUR CHURCH TO DETERMINE HOW THE PROCESS OF DISCIPLING CAN BE CARRIED OUT IN YOUR CHURCH AND THE DOCK ASSOCIATION. LOOKING AT OUR REPORTS I SEE THAT OUR OVER-ALL DISCIPLESHIP TRAINING ATTENDANCE DROPPED THIS YEAR. I ONCE AGAIN EMPHASIZE THAT DISCIPLESHIP IS NOT A ONCE A WEEK MEETING, NOR IS IT IS AN OCCASIONAL MEETING. DISCIPLESHIP IS A 24 HOUR A DAY PROCESS. IT IS A PROCESS THAT WE MUST COMMIT OURSELVES TO DAILY. WE ARE MANDATED TO GO AND MAKE DISCIPLES, HOWEVER, WE CANNOT MAKE DISCIPLES UNLESS WE ARE DISCIPLES. WE HAVE A RESPONSIBILITY TO THE LOST IN THE WORLD, A RESPONSIBILITY TO SHARE THE LOVE OF OUR LOVING SAVIOUR. THEREFORE, WE MUST DISCIPLINE OURSELVES TO BE OBEDIENT, TO LIVE A LIFE REFLECTIVE OF HIS LOVE, AND TO TEACH HIS WORD DAILY.

I FEAR THAT WE ARE MISSING CHANCES FOR THE SHORT TERM DISCIPLESHIP TRAINING PROGRAMS. THERE IS AN ENORMOUS AMOUNT OF MATERIALS PUBLISHED BY THE SOUTHERN BAPTIST CONVENTION TO BE USED AS SHORT TERM STUDIES. THE WINTER BIBLE STUDY (WHICH CAN BE TAUGHT ANY TIME - SUGGESTED TIMES ARE FROM NOVEMBER THRU MARCH) IS A SHORT TERM DISCIPLESHIP TRAINING PROGRAM ALONG WITH THE BAPTIST DOCTRINE STUDY (WHICH IS TAUGHT USUALLY IN THE SPRING). THE NEW MEMBER TRAINING. LET ME CHALLENGE EACH CHURCH IN THE DOCK ASSOCIATION TO GO BACK TODAY AND START MAKING PLANS TO HAVE A WINTER BIBLE STUDY IN 1997. THE STUDY THEME WILL BE "1997 WINTER BIBLE STUDY: CELEBRATING 50 YEARS WITH A TIMELY STUDY OF EPHESIANS (RECONCILIATION & CHURCH UNITY ARE THE FOCUS). THIS WILL BE A REALLY DYNAMIC STUDY SO LET'S PLAN TO COMPLETE SAME. ALSO, THE BAPTIST DOCTRINE STUDY FOR 1997 WILL BE REALLY SPECIAL. IT IS "THE BAPTIST FAITH & MESSAGE" REVISED & UPDATED BY HERSCHEL H. HOBBS THIS STUDY REVISITS DISTINCTIVES OF SOUTHERN BAPTIST FAITH. THIS WILL BE A GREAT TIME TO REFRESH OURSELVES ON OUR BASIC BELIEFS.

IN MATHEW 28:19 & 20 (KJV) WE READ "GO YE THEREFORE, AND TEACH ALL NATIONS BAPTIZING THEM IN THE NAME OF THE FATHER, AND OF THE SON, AND OF THE HOLY GHOST; TEACHING THEM TO OBSERVE ALL THINGS WHATSOEVER I HAVE COMMANDED YOU: AND LO, I AM WITH YOU ALWAYS, *EVEN* UNTO THE END OF THE WORLD. AMEN. THE NEW KING JAMES VERSION STATES "GO THEREFORE AND MAKE DISCIPLES OF ALL NATIONS. . . " YES TO TEACH SOME NE ABOUT JESUS IS TO MAKE A DISCIPLE. WHAT IS A DISCIPLE?? WEBSTER DEFINES DISCIPLE AS A FOLLOWER. WE ARE TO TEACH OTHERS SO THEY MAY KNOW THE JOY WE KNOW AND THEY WILL ALSO BECOME A FOLLOWER OF CHRIST.

IF I CAN BE OF ANY ASSISTANCE TO YOU OR YOUR CHURCH, PLEASE DO NOT HESITATE TO CALL.

RESPECTFULLY SUBMITTED

CAROLYN K. GORE
ASSOCIATIONAL DISCIPLESHIP SUPPORTER

DISCIPLESHIP TRAINING

Highlights

from the FOREIGN MISSION BOARD

We will lead Southern Baptists to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.

As in all past years, our Lord has abundantly blessed the work of the Foreign Mission Board through countless ways. We wish to thank all Southern Baptists for their roles which undergird the FMB. Without the concerted, cooperative effort of all Southern Baptist churches, the work and mission of the FMB would be only a shadow of its present position.

We are distinctly privileged to follow our Lord's command found in the Great Commission. Each year brings us closer to taking the gospel to all nations (best rendered as ethno-linguistic people groups).

The following annual growth levels reflect the combined reports from all foreign mission points as of the start of this year:

- A record number of newly constituted churches: 2,612
- Total number of countries where missionaries reside: 131
- Total number of baptisms overseas: 287,806
- Number of new people groups touched by the gospel: 41
- Baptisms among least-reached peoples: 6,548
- Total number of missionaries: 4,129
- Total number of short-term volunteers: Over 15,000
- Total number of newly appointed missionaries: 544
- Record amount of Lottie Moon Offering: $89.9 million
- Increase in enrollment in discipleship programs: 74%
- Number of new cities opened to the gospel: 528

Southern Baptists support the Foreign Mission Board in multiple ways.
Daily prayer assistance tops the list. Likewise, sacrificial giving through the Cooperative Program and the Lottie Moon Christmas Offering have provided innumerable opportunities to spread the gospel. As missionaries preached, taught, healed and counseled, you were there. The Foreign Mission Board counts it an honor to partner with you to spread the Good News of Jesus Christ to every shore.

Meeting the Challenges of Health Care

1996 Report to the Association

"Touching Lives With Hope"

HOSPITAL HIGHLIGHTS FOR 1996

DIVISION OF PASTORAL CARE

During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts.

As of July 1, 1996, the counseling centers will be called CareNet, Inc., of The North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.

The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.

Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to $461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

POINTS OF EMPHASIS AND PROGRESS

Financial Stewardship - The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by $50 per day.

Aegis - This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliated. "Aegis" means protection or sponsorship: Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.

QualChoice of North Carolina - QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health-care and patient/physician choice.

Regional Integrated Information Network - RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.

The J. Paul Sticht Center on Aging - The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

A CLOSING WORD

Since its founding in 1922, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

SUNDAY SCHOOL DIRECTOR REPORT

On March 15-16 Brother Grover Faulk and myself attended The National Sunday School Directors Seminar at Myrtle Beach SC. it sure was a learning experience for me. Letters should have been sent to all Southern Baptist Churches. I don't think it has ever been held that close to us before. I attended a conference at Fort Caswell on May 6 & 7. I have learned a lot this year about the task I have taken on. I hope that I can help be of assistance to all the Sunday School Directors in our Association in some way. I sent out over 40 letters in August to all Directors and Pastors in the association inviting them to a meeting at the Associational building on September 8. I know that was a very bad day because it was right after hurricane Fran. A lot of people didn't have lights and the roads were flooded We will try to schedule another meeting some time in the future if I have this position next year. We all need to do all we can to help our churches and our community to do our best to reach people for Christ God told us to go to all corners of the earth We might not can go to all of the corners, but we can go to all corners of our community

1996 WMU REPORT

Eight church WMU's Risk the Journey for Christ in the Dock Association this year as we continued to study and work for the Lord. Our main project was our efforts for persons with AIDS. A fund for medicine was set up with a drug store in Whiteville to provide medicine for persons approved by the AIDS Task Force. Thanks for all the support in the effort.

Approximately 140 Women On Mission (WOM), 22 Acteens, 38 Girls In Action (GAs), and 37 Mission Friends gave $4,712.00 to the Lottie Moon Christmas Offering, $4,553.00 to the Annie Armstrong Easter Offering, $3,103 to State Missions, $3,921.84 to the Children's Homes and $1,100.00 to the AIDS funds.

Our community missions included helping persons with hardships, providing food/shelter during Hurricane Fran, gifts to the Women's prison and to Odom home, food to the Koreans, food & clothing to the HELP Mission in Whiteville and foot to the sick and bereaved.

The WMU Leadership Team participated in training at Caswell in August, seven members went to Ridgecrest in March for the Annual WMU meeting. We also did the WMU part of the Associational meeting. Thelma Faulk, Alan Gore, and Monda Fay McLamb led our studies.

Barbara Joiner, a wonderful and loving person was speaker for our annual meeting. She thrilled our hearts with her personal story of involvement in missions as a speaker.

Pray for us "For we are partners working together for God, and you are God's field. You are also God's building." (1Cor 3:9TEV). The WMU Leadership Team appreciates your prayers & support. We are ready and willing to help any church or person. Please call us as we go forward, HAND IN HAND for Christ with Love in 1997.

Lovingly submitted

996 DOCK ASSOCIATIONAL YOUTH REPORT

During the 1995-96 church year, I attempted to survey the churches in our association to determine the extent of their youth programs. Of the 18 member churches, only 7 responded. Of these seven, only 3 reported that their church sponsors an organized youth group.

As our associational youth director, I attended the annual Key Leadership Conference this past May. At this conference, I learned of several youth programs being sponsored by our the North Carolina Baptists and by the Southern Baptist Association. My hope is that in the upcoming year, I can help make this information available to our churches and make it possible for our young people to participate in these activities. I also hope that we will be able to offer activities within our own association. The most important step to my being able to do so is my having a contact person from each church. In the upcoming weeks, I will be sending a form to each church to ask for a contact person and few facts about the youth of that church. I ask that each church please return this form.

RESPECTFULLY SUBMITTED,

SHERYL LONG
ASSOCIATIONAL YOUTH DIRCTOR

The number of messengers from each church shall be as follows: three (3) messengers for the first one hundred (100) members or fractions thereof, and one additional messenger for each additional 100 members or major fraction thereof. Such messengers shall be duly certified in the annual letters sent by the churches to the annual business session of the association. All ordained pastors of each church composing this body shall also be allowed voting privileges. The courtesies of the floor may be extended at the discretion of the body to representatives of our denominational interests, and also to ministers and members of other Christian organizations. Spring Session
meeting with Jones Street 4/5/97

Rev. Eugene Evans opened with prayer followed by the Moderator reading Revelation 1:8. Brother C. B. Bullock, Jr. led the congregation in singing "Victory In Jesus". Rev. Kenneth Smith delivered the devotion entitled "Have you Lost Your Vision?" and shared scripture from Psalm 19:14, 95:6, & Proverbs 29:18.

The clerk was unable to attend this session due to the death of her mother, therefore, the Director of Mission called the roll. There were 14 churches present, 10 pastors, & 4 preachers.

The Moderator then turned the service over to Rev. David Watts, pastor of Antioch Baptist Church. Rev. Watts delivered a very inspiring message from Acts 1:1-8 and brought out 4 specific points of the early church which still apply to us: (1) they had an unfinished task, (2) they had an unquestionable message, (3) they had unmatchable power, & (4) they had an undisputable witness.

The congregation then sang "We'll Work 'Til Jesus Comes" followed by the Moderator presenting the Nominating Committee Report which will be voted on in the fall session.

Rev. Grover Faulk gave a brief report on the recent happenings in the State Convention. Rev. Alan Gore gave a brief report on Janelle Faulk who was aided by the association on her mission trip.

All enjoyed special music provided by Hilda Norris, Rachel Hannah, Kathy Cribb, & Melanie Worley. Bro. Bullock then led the congregation in singing "Love Lifted Me".

The service was then turned over to Rev. Vernon Williamson, Pastor of Macedonia Baptist Church, who delivered a very thought provoking & heart warming message entitled "What To Expect When Death Comes" focusing on Hebrews 9:27.

Rev. Kenneth Smith delivered the benediction and blessing for the fellowship meal.

1997 BROTHERHOOD REPORT

Brothers and Sisters of the Dock Association, what a joy it is when we can come together with one purpose and one goal in mind - TO SERVE OUR LORD!

We have nine (9) active Brotherhood organizations out of our eighteen (18) churches. In the coming year I would like to ask each pastor in the Dock Association who does not have an active Brotherhood in their church, to call me and I will come and help in any way I can.

On September 20, 1997 twenty two (22) men {and one (1) woman} of the Dock Association came together and recovered the roof of the Associational building. It was a very hot day, but we still had a great time and accomplished our mission. A hearty "thank you" to all who came and also to David Gore & Alan Gore for cooking lunch. Below is a list of those who helped with the reroofing of the associational building.

It is my prayer that in the coming year the men in our churches will make ourselves available for our Lord to use us for HIS glory!

Respectfully Submitted,

In Christ's Service
David Vaught
Associational Brotherhood Director

1997 DISCIPLESHIP TRAINING REPORT

Matthew 28:19

19 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: 1*The King James Version*, (Cambridge: Cambridge) 1769.

This is our commandment. Yours and mine. We are to go and to teach. Who are we commanded to teach? Our children? Our friends? Our church members? - I see three key words in this verse - **TEACH ALL NATIONS!!** We are to teach those we come in contact with each & every day. We are to support those who go to the "uttermost parts of the world" to teach as well as those who stay here and teach.

How can we teach if we do not know what we believe. THAT IS THE PURPOSE OF DISCIPLESHIP TRAINING!! To teach how to be a disciple of Christ, how to be more Christlike in ***all*** our actions. As I reviewed the association's records for last church year I noted we had 55 baptisms and 33 other additions. That is 88 new members, praise the Lord. But then as I reviewed the short term Discipleship Training records I saw that only 20 of these 88 received New Member Training. These 20 people received training on what they as Baptist (but most importantly as Christians) believe. What about the other 66 new members of the Dock Association?? Are we nurturing them? Are we teaching them? We are truly missing a God given chance when we do not take these new church members and provide them with the resources necessary to ground them in the faith once they have made a profession of faith. We serve a Wonderful God who will always provide for us, all he asks of us is for us to be obedient to His Word. Please reread the above verse. Now please stop and pray for these 88 new members who are starting on a great spiritual journey and need the guidance and prayers of those who have already "been there".

New Member Training is only one of the short term Discipleship Training (DT) options available. There are numerous other DT short term subjects. One just for you. One of these short term DT options is the Baptist Doctrine Study. Another is the Winter Bible Study. Please make these studies a matter of prayer.

DISCIPLESHIP TRAINING IS A PROCESS not JUST ANOTHER PROGRAM.

Five (5) of our 18 churches have an ongoing Discipleship Training Process in their church. The ongoing Discipleship Training Process is a great opportunity to lead your church in a consistent weekly study of God's Will and where we should be with Him. If your church is one of the 13 that does not have an ongoing DT Process, please make this a matter of daily prayer. ??? Who will teach them if we Christians do not???

1997 STEWARDSHIP REPORT

In 1996 we became aware of a need for funds to assist Janelle Faulk go to Irian Jayra (pronounced Ira Jira) to do her student teaching. After researching what was needed, the need was presented to each individual church in the association to give as they were lead. The Dock Association raised the needed monies with 14 of the 18 churches donating.

1997 VACATION BIBLE SCHOOL REPORT

VBS in 1997 has gone through many changes. All of the materials and the way they are taught have been modified. Although there were many changes in all areas of VBS, each church accepted the challenge and went the extra mile that resulted in a great VBS.

All lessons this year were adventures through the "Wild and Wonderful Good News Stampede". Telling others about Jesus. We had roundups, rodeos, campfires, and barbeques where we had fun and learned that God's love reaches out to everyone.

I would like to thank our VBS team this year who did an outstanding job with the new and different material. I would also like to thank the pastors, directors, and leaders; without your support we wouldn't be successful.

Please check the chart below for your report.

WMU

In the 1996-1997 church years, WMU saw growth in many areas of our work. With seven WMU organization reporting. Our offerings for missions increased. We gave $5,522.00 to Lottie Moon Christmas offering for foreign missions (now International Missions); $6,175.00 to the Annie Armstrong Easter offering (North American Missions); $2,600.00 to N.C. State Missions; $125.00 to migrant missions. Plus we along with all the churches in Dock Association, gave $4,800.00 to Janelle Faulk for her mission trip to Indonesia. All WMU organizations were more community missions minded this year.

Our "project Help" was "CHILDREN". We tutored in schools, had special programs for the children. Thank to each one that helped a child this year. They are our church of tomorrow.

This year we saw growth of coed organizations in Dock WMU. We now have an adult on mission and a children in action group. May we see more coed groups especially in churches without a WMU and/or brotherhood.

Some of our WMU groups has become smaller or disbanded. We pray for your growth and/or reorganization. If we can help please call us.

Member of the leadership team went to Ridgecrest in March and to training at Caswell in August. We then did leadership training for church WMU leaders in September. WE also entertained at the pastor's appreciation banquet.

Our mission studies were led by Rev. Ron Lewis,, Ms. Minnie Gore and Rev. Alan Gore. Thanks for an excellent job.

For our annual meeting in April, Ms. Alma Hunt was our speaker. What a dymantic person and speaker!! Eighty seven years old and still going strong for the Lord. She really blessed our hearts and encouraged us.

Janelle Faulk was our speaker at the Associational meeting. She is again our speaker after having served on the mission field. May God bless her.

"COME GO WITH ME" as Hand in Hand we labor together with God. May we challenge the church to take a fresh look at needs outside the church walls and start new a ministry; and may we lead more people to study Christ's response to human needs and follow his example in witness and ministry.

1997 Youth Report

As we begin the 1997-98 church year, it is time for us to set goals: goals for our individual churches and goals for our association. In doing so, we must honestly evaluate where we now are and prayerfully envision where we would like to be. I challenge all of our churches to consider the needs of our youth and how we can most effectively meet these needs.

Our association currently has no organized form of youth ministry. In fact, many of our churches have youth ministries that are limited to Sunday School and Vacation Bible School. And while both of these programs are effective, we all know that we can be doing more.

During the upcoming year, I hope to assist our churches in planning additional programming for our young people. I also plan to begin making resource materials available for church leaders. These materials can help both churches looking for ideas in beginning new types of youth programs and churches searching for ways to invigorate their existing ministries.

We all know that we have a responsibility to the youth of our association. We must tell them about Jesus Christ our Savior. But our responsibility does not stop with their salvation; it only grows. We must continue to teach them God's word and train them to become responsible church members. This task can be done through countless ways, but it must be done.

I hope to be in contact with all of you soon. In the meantime, please let me know if I can be of assistance.

Respectfully,

Sheryl Long

Michael C. Blackwell, President

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house.

She was angry, and Jason shouted, "Lordy, it's momma," as he ran to the back bedroom to call the police.

Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back.

Out of control, Jason's mother broke open the door and kicked grandmother to the floor. She grabbed her by the hair and "slung me around by the hair of my head," grandmother says, remembering.

Mother shouted for Jason to come out of hiding, and threatened to kill his grandmother. She grabbed a bottle, broke it, and held the jagged edge to grandma's throat, shouting that she would kill her if Jason didn't come out of hiding.

Just then Jason's aunt arrived from a house next door, and held his mother's arms until the police arrived.

Six years later, grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors in a steady stream at Tuscola High School in Haywood County and is starting college in August 1997 as a freshman at The Citadel.

At Tuscola, he was captain and MVP of the track and cross country teams and a conference champion, vice president for his senior class, Cadet Colonel and ROTC commander in a group of 115 cadets, in National Honor Society, in the top 10 percent of his class, attended leadership events at Western Carolina University and Washington, D.C., and was a peer helper and peer counselor.

At The Citadel he will study political science with a minor in military history and international affairs. He wants a military career as a fighter pilot, then to enter politics after retirement.

Jason credits Broyhill Home, his home since that traumatic night in his grandma's house.

"All the accomplishments of my life have been made possible by Baptist Children's Homes," Jason said at his final awards banquet at Broyhill Home, where he received top honors for the second year.

"Broyhill has made me into a young man with a future, who knows now where he is going and what he wants to do. They've opened the doors to enable me to do that."

As for grandmother, who was desperate to find a place for Jason after the incident in her house, she prays "every night and I thank God every night that we have a place like Broyhill Home and Baptist Children's Homes."

Jason's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope, and of BCH tying a knot in that rope and helping them to hold on.

At four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received $1.5 million through the Cooperative Program, and $724,000, through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25 percent of the BCH budget.

In June 1997 BCH successfully completed the $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in earlyh 1998; the Winifred Lindsay Education/ Administrative Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority, the Hubert M. Craig Lodge at Cameron Boys Camp, has been completed.

A new video, "Families Under Construction" is available to promote the 1997 Thanksgiving offering, which has a statewide goal of $750,000, the largest ever.

A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together.

Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus, from tutoring, to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a missions statement this year, which is "helping hurting children, healing broken families."

Wherever children are hurting and families are strained, BCH strives to heal.

HOSPITAL HIGHLIGHTS

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Incorporated has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such as Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to $456,497.00. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over $200,000 was used to assist members of our Baptist Churches. May God bless all those who gave so generously.

Division of Pastoral Care

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contacts, an increase of 10% over the previous year.

CareNet, Inc. continues to grow. There are now 13 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc., continues to expand its assistance to ministers and churches. Programs and assistance offered to churches include Consultants and Intentional Interims working with churches as they face the challenges of today. The Young Leader's Program helps in leadership development, and the Clergy Wellness Program, Turning Point, is designed to foster a holistic growth-approach to the individual minister's life calling.

Points of Emphasis and Progress

J. PAUL STICHT CENTER - In April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the-arts building. Here services are provided to older adults. These services include a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disease and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors - the first in the state - which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.

COMPREHAB - On November 4, 1996, the doors were opened to The Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy Center, Spine Center, and the Neurorehabilitation Center.

TRAUMA CENTER - The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February issue of *Applied Clinical Trials*, Bowman Gray School of Medicine ranked in the top 10 U.S. clinical research institutions.

QUALCHOICE - Established by The North Carolina Baptist Hospitals, Incorporated, The Bowman Gray School of Medicine, and Wake Forest University, this managed care plan provides quality health care and patient physician choice. QualChoice is now able to offer coverage to ministers and church staffs.

WEB SITE - You can learn more about The North Carolina Baptist Hospitals, Incorporated by checking us out on our Web site at: http://www.bgsm.edu. Here you can find helpful information about nutrition, research, and the division of Pastoral Care.

HEALTH ON-CALL ™- Need a physician or answers to questions about health topics? Dial (800) 446-2255. A registered nurse will take your call and help you select the right physician, answer your questions, provide information or mail printed material to you.

SWITCHBOARD - Assistance and information can be obtained by contacting one of our helpful and courteous switchboard operators at (910) 716-2011.

A CLOSING WORD

In the midst of changing health-care norms, we will not deviate from the mission entrusted to us by the Baptist people of North Carolina. We stand fully committed to excellence and compassion, and remain visionary as we face the demands of the health care market. Under the providence of God, we will continue to find the ways and means to be successful without compromise.

THE BIBLICAL RECORDER

Associational Report--1997

These are "watershed years" for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major "transition" as we Baptists and other church groups face the 21st century.

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 164 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age, what some have described as an "information glut."

An informed Baptist is a better Baptist; no democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Action League of North Carolina, Inc.
ANNUAL REPORT TO THE ASSOCIATIONS
1997

According to Dr. James Kennedy of Coral Ridge Ministries, approximately 6 million crimes are committed in the United States annually. Murder arrests of teens are up 92% since 1985; the number of 13-to 15-year-olds arrested for murder nearly doubled between 1982 and 1992; 1.6 million cars are stolen each year; America spends $39 billion a year on police protection, $29 billion on prisons and $10 billion on legal and judicial costs for criminal cases; drunk drivers cost us $110 billion a year, and drug abuse costs $40 billion a year. With these alarming statistics, the Christian Action League of North Carolina is constantly working to restore moral and biblical principles to our state and nation through the legislative process and the public education system and by assisting communities in our state with local battles for civic and moral righteousness.

A. ***Christian Values***

- It was the pleasure of the Christian Action League to sponsor the Second Annual Christian Heritage Week In North Carolina, March 16-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. We mailed information about a League sponsored essay contest to be written on America's Christian Heritage to all high schools (public and private) in the state and hosted an awards ceremony and banquet for the top state winners of that contest in Raleigh.
- Lobbied for and promoted SB 442, The American History Act. A bill that would allow public school teachers to read or display historical documents even though they contain religious references. This bill passed the legislature and is now a law.
- The League continued a project in 1997 to distribute copies of the Ten Commandments throughout North Carolina. To date, over 10,000 copies of these prints have been distributed.
- Promoted Sanctity of Human Life Sunday.
- Presented copies of Dr. Billy Graham's speech to the May 5, 1997, Joint Session of the General Assembly on audio cassette to members of the Legislature and offered copies through our newsletter. Dr. Graham was being honored for his tremendous worldwide contributions to religion, morality, racial equality and family.
- Promoted and worked for the passage of HB 511, Evolution Not Taught as Fact.
- Published *The Beacon* newsletter quarterly with circulation of 22,000. Kept concerned citizens informed on moral issues via e-mail, fax networks, church and civic club presentations.

B. ***Lottery***

Lottery proponents felt this was the year to bring a state-sponsored lottery to North Carolina. The League, through letters, e-mail and faxes, kept the Christian community updated on lottery information and encouraged its members to contact their legislators. The lawmakers received a barrage of letters and calls from across the state saying that the lottery was a bad bet for North Carolina. The League will continue to monitor this issue as the session nears an end, but as of today, the lottery seems to have been defeated for another session.

C. ***Sex Education***

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education was implemented state-wide. Also supported efforts to insure that federal grant money was used to promote abstinence education.

D. ***Abortion***

The League lobbied for and encouraged its members through Legislative Alerts to write in support of HB 303 and SB 536 (Ban Partial Birth Abortion), HB 594 (Fetus Death from Criminal Act) and HB 536 (Abortion/Woman's Right to Know). We offered the video "Reversing Roe" through our newsletter. This video tells the story of Norma McCorvey (Jane Roe) of the infamous Roe vs. Wade Supreme Court case who after 25-years and 35 million aborted babies tells of her transformation from an abortion industry pawn to a pro-life Christian.

E. ***Homosexuality***

CAL supported efforts to strengthen the traditional family and addressed the radical homosexual agenda. Successfully lobbied against legislation that would have eradicated present N. C. law making homosexuality illegal. Offered the powerful and emotional video of Michael Johnston "On Wings Like Eagles". This video tells of Michael's 11 years in the homosexual lifestyle and his struggle between right and wrong and about forgiveness and grace. Michael is founder of Kerusso Ministries, an organization to help others struggling with this sin.

F. ***Alcohol***

Monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen current DWI laws. Worked with communities in helping them set up an organization to combat liquor referenda. Lobbied against SB 838 (ABC Tourism Resorts Permits); SB 837 (Sports Club ABC Permits), SB 447 (Lumberton Economic Development District) and HB 651 (Interstate Economic Zones). These bills allow alcohol sales without the vote of local citizens. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

G. ***Pornography***

Lobbied for SB 452 (Local Regulation of Adult Establishments) and notified citizens to contact their legislators and encourage them to vote for this legislation that would give local governments more control in regulating these establishments.

DIVISION OF EVANGELISM, BAPTIST STATE CONVENTION 1997 REPORT

With joy I report that North Carolina Baptists are continuing to experience progress in our evangelism efforts. Both our full time staff and field staff consultants are leading a variety of evangelism training events in many associations as we encourage churches to learn and use creative methods for doing evangelism. As a result of the prayers and labor by the members of North Carolina Baptist churches empowered by God's Spirit, baptisms in this state increased again for the third consecutive year. Based upon data taken from the Annual Church Profiles (ACP) and subsequent inquiries, total baptisms reported in 1996 were 25, 674. This is a 1.9% increase over 1995. Many of our churches failed to submit an ACP and their baptisms are not recorded in this report. In addition to the numerous training events we conduct across the state each year, we also present a traditional statewide evangelism conference. The purpose of this event is to offer spiritual enrichment and motivation through dynamic preaching and outstanding music. This conference encourages church leaders to emphasize the importance of evangelism. In 1998 the State Evangelism Conference will be held at War Memorial Auditorium in Greensboro, February 2-3.

In cooperation with the Southern Baptist Convention, our theme for 1997-2000 in evangelism will be CELEBRATE JESUS 2000 (CJ 2000). This is a four year plan to share a gospel witness with every person in the United States. The emphasis for this strategy will be: 1997 Prayer, 1998 Personal Witnessing, 1999 Proclamation and 2000 Preservation. Promotional packets related to CJ 2000 have been mailed to churches. Local associations have both a packet and a video to assist in this emphasis. Our goal is to touch every home in North Carolina with a gospel witness before the beginning of 2001. In addition to the Evangelism Division staff, special assistants known as Field Staff Consultants have been trained to help associations and churches in N.C. develop strategies which will enable them achieve this goal. These specialists are available to assist in association or church evangelism planning, training and implementation.

When we recognize that 45-50% of the more than 7 million residents of North Carolina are not actively affiliated with any church, do we realize that we must penetrate our culture with the gospel of Jesus? The staff of the Evangelism Division is available to help reach these people with the message of Christ's redeeming love. Often, most newer members in our churches are coming as transfer members from other churches while we are failing in our responsibility to reach those who have no relationship with Christ. Look around your community! Discover where the unchurched are! Determine their physical and emotional needs. Develop attractive innovative ministries which will give you the opportunity to meet their spiritual needs through the power of Christ.

We are continuing in our efforts with the North American Mission Board (NAMB), Communication Services and Public Relations of Baptist State Convention to develop a plan which will allow us to broadcast more spot announcements via radio and television. This will enable us to highlight both a Christian message and our North Carolina Baptist work.

PERSONAL EVANGELISM

The work of our Personal Evangelism Department continues to grow under the creative and resourceful leadership of Nelson Searcy. Recently available is a new electronic magazine which contains articles, book reviews, educational materials, facts and trends in evangelism, success

stories from local church evangelism activities and ideas you can use. Subscribe today by sending an E-mail request to nsearcy@bscnc.org or call our office.

WITNESS TRAINING-- Exciting plans are being made to provide opportunities in 1998 for more Christians to become confidently equipped to effectively share their faith. Numerous personal witnessing approaches can be learned through BWR, CWT, WIN Schools, One-Day Soul Winning Workshops, People Sharing Jesus and others. To schedule a seminar or training program, contact the Evangelism Division.

JESUS VIDEO - Another new and creative way for sharing the Gospel is available by using the new JESUS video produced by Campus Crusade. This 2 hour film presents the story of Christ and then tells how the viewer can receive Jesus as Savior. Copies of this video can be purchased through the Evangelism Division for $5.00 each when purchasing more than 5 copies. It is available in several languages at an additional cost. This is an excellent way to saturate a new community, reach language groups or share the gospel with a friend through a video presentation. Individuals may wish to give copies to a video store to be placed in their family video section.

YOUTH EVANGELISM-- More than 2,600 youth and their leaders attended the Youth Evangelism Spring Thing and the two Youth Evangelism Weeks at N.C. Baptist Assembly. During these conferences, more than 2,050 youth were trained to share their faith. Also, a total of 704 decisions were recorded which included 177 professions of faith, 465 recommitments, 25 special service and 37 other. SUPER SUMMER 1997 at Carowinds, another special youth evangelism event of the Evangelism Division, was very successful with more than 26,000 in attendance despite the rains and flooding resulting from hurricane "Danny". More than 2,822 youth recorded spiritual decisions during the worship celebration including 563+ professions of faith.
The Personal Evangelism Department began offering a collection of ten Youth Evangelism Seminars (Y.E.S.) designed to assist associations and churches in reaching lost and unchurched youth in their areas. Many of these conferences were conducted across the state in 1997. Our staff is available and desirous to help association and church leadership plan youth evangelism events in your area.

STUDENT EVANGELISM TEAMS-- Our two student evangelism teams maintained their normally busy summer schedule of music and ministry for state, association and church youth events. They performed each day during our Youth Evangelism Weeks, Single Adult Evangelism Retreat at Caswell and SUPER SUMMER at Carowinds. The EVANGELS conducted three-day Youth Happening events for 16 associations and churches. Their ministry activities included music, drama, Bible studies, testimonies, recreation and personal evangelism. WITNESS presented 35 concerts in 29 churches in addition to their daily music and testimony concert ministry in youth conferences at Caswell, Mundo Vista, Baptist Children's Homes, and resort areas. Many youth responded during the invitations presented at each concert. Contact the Evangelism Division to request one of these youth evangelism teams for the summer of 1998.

COLLEGE/UNIVERSITY CAMPUS EVANGELISM -- We continue to work with the Youth and Campus Ministry Division and BSU Campus Ministers in offering witness training to Christian students on campus. Cooperative plans are also in process for a major statewide evangelism event which will target college students.

SINGLE ADULT EVANGELISM-- Each spring we sponsor an evangelism retreat at N.C. Baptist Assembly. In June, 210 singles of various ages enjoyed this conference which included equipping seminars, worship services and free time.

EVANGELISM DEVELOPMENT

We continue to expand the work of our Evangelism Development Department. During his tenure as a full-time employee, Ed Bullock opened new doors of partnership with N.C. Baptist Men as we moved three laity ministries under the Evangelism Division umbrella and joined efforts with the Baptist Men's Division. These are: North Carolina Baptist Lay Witness Foundation (NC BLWF), Lay Renewal and Prayer for Spiritual Awakening. At the end of 1996, Ed Bullock retired from full-time status with the Evangelism Division, but continues to work part time as a Consultant. Some of his responsibilities include Executive Director of the Lay Witness Foundation and staff liaison with Lay Renewal. His voice mail is Extension 562.

EVANGELISM STRATEGIES -In July of 1997 we produced a new three volume set of training videos which accompany Darrell Robinson's third edition book Total Church Life. This is an excellent tool for developing a church vision which focuses on reaching people with the Gospel. We also offer a seminar entitled "Developing a Strategy For Evangelism In the Local Church". We are encouraging churches and associations to develop joint mission partnerships and crossover events to strengthen evangelism in selected local areas. Reaching the Cities, Towns and Villages is a strategy we have created to identify one or more people in every post office community who will lead a nucleus group of people in their respective areas in a mission of acquainting every person in their locale with the plan of salvation. Through computer technology, we now have the capability of supplying a church with a map of their community with designations indicating where church members, visitors and in-active residents are located.

MASS EVANGELISM, through the ministry of vocational and bi-vocational evangelists, has increased in 1997. We provide a training and fellowship conference annually for our N.C. vocational evangelists . Another aspect of mass evangelism relates to our large tent. Numerous associations and churches working in cooperative endeavors use this tent each year for mass evangelism events. In 1998 we will produce an attractive color booklet to help present the Gospel to some of the 25 million tourists who visit N.C. each year. As a part of CJ 2000 Baptist associations are encouraged to begin establishing plans now for area wide evangelistic crusades in 1999.

INTERFAITH WITNESS -With the fast growing international population of our state and nation, tremendous needs exist for helping Christians understand the spurious beliefs of non-christian religious groups. This aspect of evangelism is rapidly becoming most important. Our division offers training in interfaith witnessing which can enable Christians to know how to share the Gospel with sincere religious people who have unknowingly been deceived. In addition, we maintain a list of specialists who have been certified to lead interfaith witnessing conferences in churches.

1998 BROTHERHOOD REPORT

Brothers and Sisters of the Dock Association, I am thankful for you putting your faith & trust in me to serve as Brotherhood Director. The Brotherhood is a very important function of the church & there are many things that can be accomplished by the Brotherhood to help other people. Helping our neighbors when they are in need of help is what our Lord expects us to do. The Dock Association has purchased a 7'x14'x6'5" disaster recovery trailer to assist in accomplishing this task.

The Mission Statement of the Disaster Recovery Ministry is as follows: "The purpose of the Disaster Recovery Ministry & the Handyman Ministry is to glorify Jesus Christ by meeting the immediate needs of individuals through assisting them in emergency needs and in continuing efforts to help them recover from the effects of a disaster & by helping the local communities to meet the needs of individuals throughout the year. By meeting physical needs first, we show Christ's love to individuals in need. Then through our witness, we can help meet the individual's spiritual needs."

By the local church committing to assist needs of the local individuals & providing the help needed, they will be able to first meet the physical needs & then be able to witness to individuals they are helping by sharing Christ's love and the local church's commitment to show His Love.

By being involved in these two ministries, the association and the local churches can provide opportunities for their church members to serve Christ in a special way by helping to meet the needs of others. In this way, the church volunteers are able to be involved with; hands-on-hands ministries and work with their association and North Carolina Baptist Men to share the Gospel of Jesus Christ to hurting people.

Brother Glenn Stocks will be our new Brotherhood Director and I hope we all will assist him in every way that we can. Brother Glenn is a very mission oriented person, and I know that if we will be willing to go & be involved in missions he will lead us. While God blesses us with good health may we be willing to serve HIM while we still have the time. Thank you for all your prayers.

Respectfully submitted,
David A. Vaught, Associational Brotherhood Director

1998 DISCIPLESHIP TRAINING REPORT

Discipleship Training has changed a lot since the early days of "church training". We have come to realize that discipleship is to be the *PROCESS OF SPIRITUAL GROWTH & DEVELOPMENT* in an individual's life and not just another church program. We have learned that discipleship takes place at lots of times and in lots of places and in a variety of ways. The task before your church today is to determine how the *process of discipleship* can best be facilitated in the lives of its people and to provide what is needed to see that it happens. We are discovering that a variety of approaches and varying time frames are necessary to meet the disciplining needs of our people.

The church today is full of *"spiritual babes" or "spiritual children"* who are in need of training to be disciples of Christ. The leading Christian analysts and predictors of our day are all in agreement that the one measure capable of saving the declining, dying church is the disciplining of God's children, ie the maturity in the faith of Christians.

Do you have a viable training program in your church to train your people to be Disciples of Christ? This can be a scheduled weekly meeting which meets all year, or it can be a short term program for several weeks or months that meets in the homes. We must break our "mind-set" that training to be a disciple or follower of Christ is a program confined to the church building and church timeframe. We must utilize the available time to truly meet the needs where they are. This fact is supported by our Discipleship Training report from the churches this year. We see that the short term Discipleship Training enrollment increased from 25 in 1997 to 84 in 1998. Also, the total ongoing Discipleship Training verifies this fact. In 1997 the Dock Association had 242 persons enrolled in some form of Discipleship Training. In 1998 we had 228. That is a 6% drop. Are we accomplishing the task that God has called us to do when we are showing a drop in studying His instructions? Let us strive to take every opportunity to disciple our people, so they can in turn disciple other people. How else can we complete the task of telling everyone about our wonderful Lord & Saviour?

1998 YOUTH REPORT

The 1997-98 church year was one in which our association experienced positive growth in our various youth ministries. Several churches implemented new programs or expanded already existing ones. Our churches reported greatly successful Vacation Bible Schools as WMU leaders encouraged individual churches to lead youth in Baptist sponsored mission studies.

During this church year, youth leaders in our churches became increasingly aware of a growing need for a specific ministry for college-age young people. As we enter the new church year, I ask that we all prayerfully consider how we as an association and as individual churches may best meet the needs of this age group as well as all the youth of our association and communities.

1998 GENERAL BOARD REPORT

The General Board of the Dock Baptist Association held its regular quarterly meetings. The followed committees were elected: BUDGET: David Gore, Chairman, Carolyn Gore, Treasurer, Bennie King, Kenneth Smith, & Glenn Stocks; NOMINATING: David Gore, Chairman, Willard Fowler, Glenn Stocks, C. B. Bullock, Jr., & Wayne Faulk. Rev. Mort Formyduval, due to his health, asked to be replaced on the Benevolence Committee. It was voted for Wayne Faulk to be be his replacement to finish out this year. The association has participated in two mission projects this year. The purchase of a Disaster Relief Trailer and financial assistance to Janelle Faulk on her mission trip to Taiwan.

As we begin another church year, let's look at where we stand "mission-wise". Are YOU a "Missionary" Baptist Church?? Remember what you sow is what you reap. If we do not sow enough seeds, use enough fertilizer, cultivate the little plants, (ie support missions as we should),then HOW CAN WE EXPECT TO REAP SOULS??

1998 VACATION BIBLE SCHOOL REPORT

VBS this year was very exciting. With the StarQuest theme, we truly went out of this world exploring our mission for Christ. Now that we have come back down to earth, it is time to start planning for next year. This year we had 16 out of 18 churches to participate in VBS. With 13 of the 16 reports received, all churches were at Standard Levels. Our attendance ranged from 24 to 152 with a total of 757, with 1 decision to accept Christ. Our offerings totaled $2,548.94 which went to the Cooperative Program.

I would like to thank each VBS Team Leader for all their hard work and time in preparing for the VBS Clinic. I also want to thank Zion Baptist Church for hosting our VBS Clinic, they did an excellent job setting up each classroom in the StarQuest theme, and providing delicious refreshments. Everyone did a great job. Thanks to all the Pastors & Directors for your support of VBS. Please pray for our VBS team leaders for the upcoming year. Without your prayers, support & cooperation we wouldn't have a successful VBS.

Please check the chart below for the report from your church.

1998 WOMAN'S MISSIONARY UNION REPORT

THE 1997-98 WMU theme "Come Go With Me" was the topic used by our NC Executive Director, Mrs.Irma Duke, as she spoke at our annual meeting at Palmyra. What a wonderful message! What an exciting person and leader!

The many areas of service we had the opportunity to participate in are: prison ministry, nursing homes, senior citizens, hospital/medical, community, disaster relief, support for our local churches, mission education, prayer, & financial support for International Missions (approximately $4300), State Missions (approximately $2200), children's home (approximately $1688), World Day of Prayer, World Hunger and others (approximately $3500). You did a great job. Our missions studies were led by local pastors, church members & the WMU leadership team. Thanks to each one that took part in the studies.

The Leadership Team received training at Caswell in May & then did a training session for Dock WMU Leaders. Several members attended a prayer retreat at Ridgecrest. The Pastor's Appreciation Banquet held at Sandy Plain was well attended and enjoyed by all.

We invite you to be TRANSFORMED by God as we begin a new associational year in service & ministry. Pray for the WMU Leadership Team that we may do HIS will in serving our association & community. Please call us if we can be of service to you.

Her voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house m a nameless street. Her grandparents' murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatedly told her she was worthless. 'I've had a rough life," she says. 'I've been through about anything I can possibly go through."

Christy admits carrying a short fuse and outbursts, physical abuse and a dangerous living situation brought her to Mills Home in November 1997. She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because 'learning comes easy to me, and I want to help someone if I can.'

Julie, her first child care worker at Mills Home, became a real friend who "helped me turn my life around," Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parents weren't there. No- body wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved."

She Didn't Plan to See 16

Julie couldn't realize how important her friendship was, or how close Christy came to giving up. Christy admits to two suicide attempts, and believed she would never see age 16. 'I used to dread getting up," she said. 'I didn't know if I would get my mouth busted or my arm broke." Even now, there are days Christy doesn't want to get out of bed. But she does, and she goes to school and earns mostly "A's and stars on the varsity basketball team, and tutors other residents in math, and went to New York for a summer basket- ball tournament and is planning to attend college to study a helping profession. Now she is planning to live, not planning to die. BCH is giving her opportunities to live for.

Christy's story is repeated hundreds of times each year at BCH. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope. At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,560 young people found help in troubled times last year.

During the past year BCH received $1.6 million through the Cooperative Program, and $752,000 through the Thanksgiving Offering. Total church gifts of $3.3 million comprised 18 percent of the nearly $18 million in revenue. Because of a positive investment environment, BCH investments of endowment funds provided 33 percent of revenue.

Buildings Dedicated

Two major priorities of the $10.1 million 'Light Their Way" Campaign were dedicated: The Winifred Lindsay Education/ Administrative Center at Odum Home in Pembroke on Jan. 20, and the John D. and Amelia W. Johnson Cottage at Mills Home on May 12. U.S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the 'purpose, people and passion" to successfully help children and families turn their lives around." 'When we reach out to our children we're making the best investment for tomorrow we could ever make for our country," he said.

Winifred Lee Herbert Lindsay, for whom the Lindsay Center is named, died Nov. 21, 1997.

Primary funds for building Johnson Cottage were given by Phil and Sharon Drake, of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee. 'God has given me more than I deserve," Drake said in a brief, emotional address at the dedication. He said giving money to build the cottage was the 'easy part" compared to the cottage worker's task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July 1, 1998.

The video, 'A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of $800,000, the largest ever. Wherever children are hurting and families are strained, BCH strives to heal. To secure a video, or a speaker for your church or civic group, or to access services, call (800) **476-3669.**

HOSPITAL CELEBRATES 75 YEARS OF SERVICE

In May 1998 the North Carolina Baptist Hospitals, Incorporated celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the MDO amounted to $500,747. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

Division of Pastoral Care

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 64 students during the year and made more than 53,000 ministry contacts.

The Department of Pastoral Counseling, CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling.

Facts about Wake Forest University Baptist Medical Center

- With more than 10,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city.
- The Medical Center successfully proposed to Forsyth County Commissioners to purchase the county's indigent health care clinic, Reynolds Health Center. The Center also serves as a primary care training facility for our medical students and residents. Construction is expected to begin in the spring on a $5 million, state-of-the-art facility.
- Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinical affiliations grew to 22 by December '97.

Points of Emphasis and Progress

ALS CENTER - Wake Forest University Baptist Medical Center has opened a specialized center to provide coordinated care for patients with amyotrophic lateral sclerosis (ALS), often referred to as Lou Gehrig's disease. The Medical Center's ALS program is the only center in western North Carolina devoted to ALS patients.

TRAUMA CENTER - The Medical Center has the designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February 1997 issue of *Applied Clinical Trials*, Wake Forest University School of Medicine ranked in the top 10 U.S. clinical research institutions.

RANKED AMONG THE NATION'S BEST - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in nine of 17 specialties, according to rankings published in the July 1998 issue of *U.S. News & World Report.*

NEW HEART VALVE - Wake Forest University Baptist Medical Center is one of the first centers in the country to offer a new "natural" valve replacement to patients with diseased or damaged aortic heart valves. The Freestyle valve was tested extensively in six centers — including Wake Forest University Baptist Medical Center - before being released for general use.

NEWEST TREATMENT FOR EPILEPSY - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy — a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

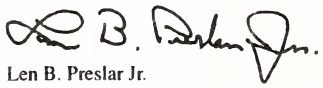
A CLOSING WORD

Seventy-five years ago the North Carolina Baptist State Convention gave us a directive to extend the healing ministry of Jesus Christ. For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care, delivered with compassion.

Respectfully submitted,



Len B. Preslar Jr.
President

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1997, the Foundation held $72,432,412 under management. In 1997, $3,473,850 was distributed to Baptist work and $1,542,473 was distributed to individuals for a total distribution of $5,016,323.

The income distributions for the entire 78-year history of the N. C. Baptist Foundation totals: $12,475,237 income paid to individuals and $19,533,109 to Baptist churches, institutions, and mission causes for a grand historical total of $32,008,346.

Associational Report--1998

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress.

He is correct! Thomas Jefferson said the purest form of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty, and its corporate corollary--the autonomy of the local church.

But Baptists will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

Because people are reading less than any time in recent history at the very time there is an increased number of publications and periodicals, the Recorder has kept pace with the state-of-the-art in print media, and entered the world of electronic communications with an attractive and effective Web site. The Web site address is: http://www.biblicalrecorder.org.

The Recorder Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from around the world, literally--from Asia, Africa, Europe, South America, the Pacific Rim, even Australia! In the United States, people from several states regularly use the Recorder as their source of dependable Baptist information.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

ANNUAL REPORT TO THE ASSOCIATIONS
1998

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. **Christian Values**

- It was the pleasure of the Christian Action League to be one of the sponsors of the Third Annual Christian Heritage Week of North Carolina held March 15-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL sponsored a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.

- Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 12,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

- Held a Church Leadership Legislative Day on June 23. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

B. **Gambling**

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

CAL also monitored the work of the Legislative Study Committee on Bingo Regulations.

C. **Sex Education**

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. **Abortion**

CAL promoted HB 303 (Ban Partial Birth Abortion), HB 536 (Woman's Right to Know before Abortion) and HB 594 (Fetus Death from Criminal Act). We also encouraged lawmakers to maintain funding reductions and restrictions on the state abortion fund. These actions have resulted in only two qualifying abortions being paid with taxpayer funds in the last two years.

E. **Alcohol**

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

CAL will host a national conference in September of the American Council on Alcohol Problems.

F. **Pornography**

Promoted and saw ratified SB 452-Local Regulation of Adult Establishments. This legislation gives more authority to local communities to regulate and control adult entertainment establishments.

G. **Homosexuality**

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. Successfully lobbied against legislation that would have made homosexuality legal in North Carolina. Offered the video "On Wings Like Eagles", the testimony of deliverance from homosexuality by Michael Johnston of Kerruso Ministries.

Council on Christian Higher Education

Baptist State Convention of North Carolina

1998

Chowan College 1848	**Campbell University** 1887	**Gardner-Webb University** 1905	**Mars Hill College** 1856
Meredith College 1891	**Wake Forest University** 1834	**Wingate University** 1896	

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive Director. Claude Gaddy served as the Council's founding leader. Harold Cole served briefly. Ben Fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

He and his wife, Debbie, are alumni of Gardner-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, Chaired the Committee on Nominations, and Chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college presidents, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntary concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the Convention.

The Council is currently involved in strategy planning. It is seeking to prepare for the new millenium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

Herein is love, not that we loved God, but that He loved us and sent His Son to be the propitiation for our sins. Beloved, if God so loved us, we ought also to love one another. 1 John 4:10-11

The devotion from Philippians 3:1-14 was presented by Rev. Wayne Faulk.

In the absence of the clerk (due to illness), Rev. Alan Gore called the roll. There were 16 of the 18 churches present.

Announcements were made & the Nominating Committee presented their report on the new slate of officers to be voted on in the fall meeting.

The Disaster relief trailer was brought to this meeting for all to see.

The Director of Missions advised everyone of the fire that consumed Rev. Ragsdale Allsbrooke's home and a freewill offering was taken after we were led in prayer by Rev. Alan Gore.

The congregation sang "Tell Me The Story of Jesus" followed by special music from Dulah's choir.

Rev. Alan Gore then introduced Rev. Rick Astle, the Director of Missions from Columbus Baptist Association. Rev. Astle delivered a very stirring message from Romans 9:1-3 entitled Where Is The Burden of Lost Souls?

1998-1999 Brotherhood Report

The Dock Association Brotherhood program has had an extremely active year. In November 1998, the Association approved the funds to purchase a Disaster Recovery trailer Brother Glenn Stocks, our Brotherhood Director, had the trailer painted with the North Carolina Baptist Men's Disaster logo on each side and had the name of each church in our association printed on the back doors. During the summer of 1999, we equipped the Disaste Recovery trailer with most of the tools and equipment suggested by the State Brotherhood office in Raleigh.

During this same time, the Dulah Missionary Baptist Church Brotherhood bought a Disaster Recovery trailer and in the fall of 1998 went to Stonesville, N. C. to help with clean up from the tornado that struck that area.

In the spring of 1999, the Association had eleven persons (including four ladies) tc attend Camp Caraway in Asheboro, N. C. for formal training in Disaster Recovery work. The spent two nights and a day in the classroom and in the field training. The program included spiritual aspects, as well as physical aspects, of Disaster Recovery work. We had people from Gores Chapel New Life and Seven Creeks Churches represented in this formal training program.

In September of 1999, Hurricane Dennis brought floods and destruction to Manteo, N.C. The Dock Baptist Association was asked to send a Disaster Recovery team to Manteo to help with clean up. We responded and had a team of four men go to the Outer Banks.

On September 16, when Hurricane Floyd hit southeastern North Carolina, we sent a team out to evaluate and assess our local flooded area. We found Crusoe Island in the Old Dock area with sixty-two homes flooded, River Road in the Pireway community flooded, and Ramsey Ford Road next to Seven Creeks flooded.

The State Convention sent teams of Disaster Recovery workers to our area for the last three weekends. Volunteers from all over North Carolina arrived on Thursday evening for organizational meetings, Christian fellowship, and prayer. Work began Friday morning and ended on Saturday evening. Some teams that came from the western part of the state spent Saturday night and on Sunday drove ten hours back to their homes and family. On the first weekend, one hundred and forty-eight people volunteered their time and help; on the second weekend, seventy- eight brothers and sisters worked; and last weekend, more than ninety devoted Christians returned to assist. Each weekend, we have had men from the different churches of the Dock Association working with our Disaster Recovery teams in Crusoe Island, River Road, and Seven Creeks, as well as in Myrtle Head the first week. Men from other local Baptist churches around our area have given their time and energy to this relief work. We have almost completed the mud outs and will soon be able to start the reconstruction process on all these families' homes.

These devoted Baptist men and women who work in the Disaster Recovery program travel at their on expense, unless their home church sponsors them. In addition to sacrificing time with their own families, many of these dedicated Christian take time off from their jobs to help strangers in need and spread the message of Jesus' love.

The Dock Baptist Brotherhood is a fledgling in this field of service to mankind through the Disaster Recovery program. If your church has someone who would like to be trained in the program, please assist them in spirit and in finance to enable them to fulfill the mission work that is so desperately needed today.

Local Brotherhood groups take an active role in promoting Christian growth of our young people through participation in the Royal Ambassadors program, along with other activities all during the year. They strive to train our young boys and men in the true spirit of giving of self to the work of our Lord Jesus Christ.

Humbly Yours,
W. David Gore
Assistant Brotherhood Director

1999 Discipleship Training Report

What do these verses tell us about discipleship???

42 And they continued stedfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers. 43 And fear came upon every soul: and many wonders and signs were done by the apostles. 44 And all that believed were together, and had all things common; 45 And sold their possessions and goods, and parted them to all men, as every man had need. 46 And they, continuing daily with one accord in the temple, and breaking bread from house to house, did eat their meat with gladness and singleness of heart, 47 Praising God, and having favour with all the people. And the Lord added to the church daily such as should be saved. Acts 2:42-47.

Discipleship is a process which begins after conversion and continues throughout believer's life. Evangelism initiates this process, fellowship contributes to it, and ministry grows out of it. Discipleship is not an option of the believer, IT IS MANDATED IN THE GREAT COMMISSION!. As HIS people, we are commanded to ***be*** and to ***make*** disciples. HOW DO WE DO THIS? God has provided the Bible as His authoritative written revelation of Himself to us. God has assigned to the Bible's message the power to bring people to faith in Christ to guide them to follow Him in obedience. Ongoing Bible study through Sunday School & departments provided for foundational discipleship. Bible study groups provides a means for growth in understanding of God's word and obedience to His commands. It provides opportunity for believers to encourage one another and it provides for holding believers accountable to one another for maturing in Christlikeness.

It is of utmost importance that your church has a ongoing Discipleship training program, although discipleship cannot be accomplished by holding it to a one-day-a-week event. Daily participation in Bible Study and ministering are absolutely necessary for a believers growth. Also, special events such as the Winter Bible Study, which focuses on a particular book or portion of a book of the Bible, can enhance your discipleship program by strengthening disciples. There are additional short term Bible studies that focus on specific topics or issues that can answer a need in a person's life and enhance their recognition and use of their spiritual gifts for Christ's purpose.

What have you done during the past church year to enhance the discipleship process of believers in your church?? You see the discipleship process can only be if I let it be. I am responsible for disciplining myself, which in turn will spread throughout my church. When we change our mindset and begin to look at our church growth and where we stand in the Lord's plan, we have made a decision to begin the discipleship process. Please evaluate yourself, before you evaluate your church and then ask what does God want me to do to bring others to Him?

1999 General Board Report

As mandated in our constitution, the General Board met 4 times during the past church year.

At our November meeting we elected our nominating committee & budget committee. The Director of Mission also mentioned the fact that we need to pray and seek another trustee for the association. We had a lot discussion on the disaster recovery trailer.

In the February meeting Bennie King was elected to replace Rev. Mort Formyduval on the Benevolence Committee. Billy Gore was elected to serve as Trustee, replacing Davis Lowery. The nominating Committee made their report.

n the May meeting the budget was presented & approved. The Brotherhood reported they had elected a committee to purchase the tools for the disaster recovery trailer. We had a discussion on getting the sign at the associational building repainted. The Moderator & Vice Moderator are to take care of this.

In the August meeting it was voted to have the Moderator have the associational sign redone and lettered in vinyl. There was some discussion about "The Docket". It was noted that a "newsletter" could not be published without news. It was suggested that each church appoint a person to gather information about events, dates for special services, reports on the success of the events and get the information to the Director of Mission or the Clerk and they will try to start back with "The Docket". Discussed erecting a building at the associational office to store the disaster trailer. The Brotherhood department will handle same. David Gore & Bennie King were nominated as Co-Directors fore the Brotherhood Department. This will replace Tiny Stocks who declined the nomination due though his health problems. Riverside declined hosting the association this year, therefore Zion who is next in line will host same.

1999 VACATION BIBLE SCHOOL REPORT

This year we soared to new heights with Mt. Extreme as we explored and discovered new ways to worship Christ.

This year 17 of 18 churches participated in VBS with 12 churches reporting. Palmyra had the highest attendance and an offering of $378.03. We had one decision to follow Christ, but I know many seeds were planted. All churches reported to have a great and exciting VBS filled with fun as they explored new heights with Jesus.

I would like to thank our VBS leaders this year for their willingness, enthusiasm and effort they showed as they prepared for the clinics. We all should show and share this excitement as VBS is one of the biggest and important outreach programs to our children today. Thank you for all you did and continue to do.

This year the Sunday School Board (due to the decline in attendance and the cost) will not have State clinics. They will have trained leaders available to each association if requested.

1999 WOMAN'S MISSIONARY UNION REPORT

"TRANSFORMED, SHAPED BY THE HAND OF GOD" our emphasis book for this year showed how God transformed His followers. As the WMU members were transformed, we saw new interest and participation in the work of the church and missions by members of churches with and without WMU organizations. We continued our education on missions. Local pastors and church members led and participated in the studies. Thanks for a great job.

Our membership increased last year. We were recognized for having the most growth in associations of 25 or less churches in North Carolina. Keep up the good work!! We have approximately 250 members plus a new WMU at Magnolia started in August 1999. Welcome to Magnolia WMU. We also have several new age level co-ed groups.

Mission support/involvement has been excellent this year. We gave $750.00 to State Missions; $5,283.00 to International Missions; $5.048.00 to North American Missions; $6,800.00 to World Hunger, Honduras,& Domestic Violence shelters; $2,300.00 to Baptist Children's Homes; and $303.00 to special community ministries. We also gave supplies to Families First and Hope Harbor Home for Domestic Violence Centers, HELP Mission in Whiteville; & women's prison in Raleigh along with food and flowers to the elderly and shut-ins in our communities and nursing homes.

Our Pastor's Appreciation Banquet was enjoyed by over one hundred members and pastors. Mrs. Judy Reed was our guest speaker. The meal was catered by Joe's Barbeque and served at Poley Bridge Church.

Mrs. Joyce Mauldin spoke on community/church missions with special focus on Habitat for Humanities at the annual associational meeting.

Mr. Jimmy Anderson, a native American from Oklahoma was our guest speaker for the annual WMU meeting. He spoke on mission work/needs among native Americans in the U. S. and Canada.

The WMU Leadership Team attended training at Caswell.

As God transforms you, won't you take the stand for God & Missions? Thanks for all the love, prayers, and support you gave this year.

Lovingly submitted,

Three rocks beside her trailer house warned four-year-old Mamie not to tell anyone of the way her father was abusing her.

If she ever told, her father said, those stones would mark her grave and the graves of her two best friends.

"He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him, and he was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house...and her. But he was subdued. She heard him through the wall threaten her death while she cowered inside.

Mamie's mother, who left the family when Mamie was six weeks old, attended her father's trial, but only "to see if Mamie looked like me." Mamie never saw her.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met her while delivering communion elements to her grandmother.

"It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After her 71-year-old husband had a second heart attack, Mamie became too much for the couple to handle.

She lives now at Moody Home, a structured value change home for girls in Franklin, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

Shredding the Safety Net

Mamie pressed the boundaries of love, and George and Linda weren't physically able to pull her back to safety.

"I tried to push the boundaries a little further and a little further, to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said.

Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behaviors are out of bounds.

In 1998-99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential

campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of *"Quality Service Through Quality Relationships."* Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs."

The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program and effort within the institution and without.

The word "quality" has been overused and under-realized, and it too often cloaks mediocrity with imagined value. There will be no such veneer at BCH.

Building and Renovating

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to the old "main" building which was named Luther and Audrey Carter Hall, in honor of the donor couple who left their estate to BCH.

The former house used for a director's residence was renovated to serve five girls in transitional care and named for longtime trustee and supporters Abe and Jackie Elmore.

Total renovations increased capacity at Odum Home from 28 residents to 45. Additionally, 10 day students from Pembroke Middle School will be served at the Winifred Lindsay Education/Administrative Center. These students have issues to resolve that do not require them to be in residential care.

At Cameron Boys Camp May 4, two important staff lodges were dedicated: the A.J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housing, a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist partners, as together, we help hurting children and heal broken families. To secure our new video about BCH, schedule a speaker or access services call (800) 476-3669.

HOSPITAL CARRIES THE TRADITION

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to t community and the region. During these years the Hospital has been faithful to the vision of the North Caroli Baptist State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *extend the healing ministry which was demonstrated by Jesus Christ.* Many challenges have been faced throu these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Off ing. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. 1998 the MDO amounted to $530,874. It was used exclusively to help patients who had little or no health c insurance or no other financial means to pay their hospital bills. From the offering this past year, well o $200,000 was used to assist members of our Baptist churches in North Carolina. May God bless all those w supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Da Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J. Paul Sticht Center. Chapl supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students gra ated from the Department's fully accredited Clinical Pastoral Education program. Maurice Briggs retired from Department in February after 30 years of service. He was known throughout the Hospital for his pastoral prese and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now Christian counseling centers located in strategic areas from Franklin to Wilmington. During the year these prof sionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations beco healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentio Interim Ministry, and Leadership Development. **Resources for ministers** include: Young Leaders Program, Le ership Development Group, Interim Ministry Training, and Intentional Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail t some towns, the Medical Center has been called a city-within-a-city. We are the largest employer in Fors and Guilford counties.
- The North Carolina Baptist Hospitals, Incorporated has opened *BestHealth,* a community health informat center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotap limited Internet access, computer software and a variety of on-site programs to help area residents beco better informed about their health and how to remain well.
- Building strong relationships with the community is important to us. A recent survey indicates that Medi Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different or nizations in our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife – The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The Gamma Knife uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.

Trauma Center – The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

NASCAR – The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.

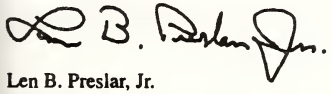
A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

Respectfully submitted,



Len B. Preslar, Jr.
President

Biblical Recorder Associational Report

July 1, 1999

The *Biblical Recorder* is the official news journal of North Carolina Baptists. The earlies version of the Recorder was founded in 1833 by Thomas Meredith, who had also been influ ential in the birth of the Baptist State Convention in 1830. The *Biblical Recorder* was owne and operated as a private enterprise in support of Baptist work in North Carolina until 193 when the paper was purchased by the Baptist State Convention and incorporated as a agency of the convention.

A number of able editors have served the *Biblical Recorder*, which is widely acknowledge to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledg whose tenure began on January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom work throug North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Biblical Recorde* adopted the following mission statement: ***"Our Mission is to further Christ's kingdom b providing relevant news, insightful opinions and supportive resources to North Car lina Baptists in a timely and accessible fashion. '***

The *Biblical Recorder* belongs to all North Carolina Baptists, & appropriately reflects th geographical, ecclesiological and theological diversity that is typical of the churches making u the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer fair and balanced presentation of the news that most affects the life and ministry of Nort Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help t spark the thinking of North Carolina Baptists who want to make up their own minds about im portant issues. Feature stories about notable or innovative activities of churches and associa tions, regular reports on partnership missions efforts, & weekly commentaries on the mos popular Sunday School lessons offer ideas, encouragement, & inspiration to readers of th *Recorder.*

To communicate more effectively and to present the most important news in a more timel fashion, the *Biblical Recorder* has developed a popular presence on the World Wide Web. Th *Recorder's* website at *hhtp://www.biblicalrecorder.org* offers Internet users an opportunity t read much of each paper's content several days before printed versions arrive. This is particu larly helpful during convention meetings and at other times when frequent updates are desi able. As time and resources allow, additional features will be added to make the website a even more valuable source of information for N C Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention, and receive annual support from Cooperative Program gifts as an agency of the Convention. This suppo makes it possible to offer the *Recorder* at very affordable subscription rates.

Currently, the annual rates are:

* Church News Service (incorporates church newsletter into the Recorder) - $6.36
* Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
* * Club Plan (4 or more persons in a church subscribe together) - $8.48
* Individual Subscription-$IO.60

"N.C. Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for *The Biblical Recorder.*

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay-leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive $8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive $3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

The Building or Wrecking Crew?

Ten Little Christians, standing in a line,
One disliked the pastor, then there were nine.

Nine little Christians stayed up very late,
One slept too late on Sunday, then there were eight.

Eight little Christians on their way to Heaven,
One took the low road, then there were seven.

Seven little Christians chirping like some chicks,
One disliked the music, then there were six.

Six little Christians seemed very much alive,
but one lost his interest then there were five.

Five little Christians pulling for heaven's shore,
but one stopped to rest, then there were only four.

Four little Christians, each busy as a bee
One got her feelings hurt, then there were three.

Three little Christians knew not what to do,
One joined the sporting crowd, then there were two.

Two little Christians, our rhyme is nearly done,
differed with each other, then there was one.

One little Christian, can't do much 'tis true;
brought his friend to Bible study -- then there were two.

Two earnest Christians, each won one more,
that doubled the number, then there were four.

Four sincere Christians worked early and worked late,

Each won another, then there were eight.

Eight splendid Christians, if they doubled as before,
In just a few short weeks, we'd have 1,024

In this little jingle, there is a lesson true,
You either belong to The Building,

1999-2000 Brotherhood Report

The Brotherhood has been involved in the North Carolina Baptist Men Disaster Relief program since last year. We completed our last mission in Crusoe in mid September 2000. Our men and ladies of the Dock Association have given their time to the recovery work all over Columbus County, North Carolina for the past year.

The Association through the Brotherhood Program, sponsored the labor to rebuild a house for Mrs. Carlene Long. Our men also aided in the construction of the Isileen Cumbee house and in the dry-in of the Edgebert Godwin house. I can not thank the Dock Brotherhood Men enough for all the labor and financial help that have been given to our friends ad brothers and sisters in the Dock Association area. We have had some of our Royal Ambassadors assist in feeding our workers and in the cleanup. We also has Associational youth from several churches doing many jobs to assist the brotherhood.

I have asked each church in our association to provide three to four members who will volunteer to a one year commitment and work with the Brotherhood Disaster Relief Program. This will give us a pool of people to draw from if we are called upon to go on a Disaster Relief mission.

I look forward to the coming year in the hope that I will have more time to work with our churches in building our Brotherhood Associational Program.

2000 Discipleship Training Report

[15]So when they had dined, Jesus saith to Simon Peter, Simon, *son* of Jonas, lovest thou me more than these? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my lambs. [16]He saith to him again the second time, Simon, *son* of Jonas, lovest thou me? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my sheep. [17]He saith unto him the third time, Simon, *son* of Jonas, lovest thou me? Peter was grieved because he said unto him the third time, Lovest thou me? And he said unto him, Lord, thou knowest all things; thou knowest that I love thee. Jesus saith unto him, Feed my sheep. John 21:15-17

As Christians we are mandated to "Feed His sheep". It is of utmost importance that we study His Word so that we will be prepared to "feed His sheep". This is the purpose of discipleship training. Training to become disciples of Jesus should be one of our top priorities. This can be accomplished in many ways. We have the weekly Discipleship Training classes for all age levels, the Winter Bible Study, & the Baptist Doctrine Study in the Spring, along with many short term modules. There are modules on many topics including Leadership; Sharing Jesus Without Fear; PrayerLife; Experiencing God; MasterLife; The Mind of Christ; Women's Ministry; Men's Ministry; Parenting; Marriage Enrichment; First Place: A Christ Centered Health Program, and many support group resources to name a few. Most of these named come in age level resources also. It is so very important that we begin with our babies and train them up in the way they should go. Do you have a structured discipleship training program in your church? Please make this a matter of prayer. You see once we establish the pattern of discipleship it will most likely be followed. I recently read that a Christian is a mind through which Christ thinks; a heart through which Christ loves; a voice through which Christ speaks; a hand through which Christ helps. This is a picture of a Christ centered disciplined life through which Christ can lead and accomplish great things for His kingdom. Let me close by quoting the following poem which I pray will weigh heavy on our minds.

If God Could

If God can hang the stars on high,
Can paint the clouds that drift on by;
Can send the sun across the sky,
What could He do through you?

If He can send a storm through space,
And dot with trees the mountain's face;
If He, the sparrow's way can trace,
What could He do through you?

If God can do such little things
As count our hairs, or birds that sing,
Control the universe that swings,
What could He do through you?
—G. E. Wagoner

WHAT CAN HE DO THROUGH YOU RIGHT NOW, TODAY, TOMORROW & IN THE FUTURE.

GENERAL BOARD REPORT 1999-2000

The Dock Baptist General Board held the regular quarterly meetings this year. Attached is the attendance chart for same.

In November we discussed the work of the Associational Brotherhood in Disaster recovery in the Crusoe area and at Magnolia and discussed getting the newsletter "The Docket" started again. It was suggested that the information be furnished to the Clerk by the 15th of each month for publication.

In the February meeting the Director of Missions resigned effective October 1, 2000. David Gore requested at least 4 people from each church to go on disaster relief training. McCoy Gore reported on Baptist College Days & stated that there is support for our children. The Moderator presented a petition from "Crusoe Baptist Church" to join our association. After much discussion it was stated that our bylaws & constitution states we cannot grant a letter to a church that isn't organized.

In the May meeting J. D. Gore was nominated as Director of Missions. Shared leadership with the Columbus Baptist association was discussed and a vote was taken against same unanimously.

In the August meeting it was reported that J. D. Gore could not fill the position of Director of Missions. We voted to make a donation to the Columbus County Literacy Council and Habitat for Humanity for the Shirley McMillian house construction.
We voted to install a telephone in the associational building. The fall session was moved up a week due to a conflict with the Central Union.

Respectfully Submitted,
Rev. Kenneth Smith, Moderator

Goal Setting
2000-2001
Dock Baptist Association

As You all realize, Sunday School is a very important function in our churches. Even small children have a lot of knowledge instilled in their minds at a very early age. Also it is most important that we have qualified Teachers for all our classes. We do not ever need to elect someone as a teacher unless they are qualified. There are so many times I feel that some are elected because it seems to be an easy out or the thing to do. However, we need to remember that "The Bible and the Lord Jesus Christ" is what needs to be taught. We always need to be much in prayer for our teachers so that the Lord will lead, guide, direct and give them strength to do his will.

Now lets go back to our church and invite someone to worship with us. If each one of us could get one person during the course of a whole year, our attendance would double.

Lets go now and do our part and challenge our church members to go out and make it happen.

Let that be our goal for our Sunday School for the year 2000-2001.

If I can be of assistance to anyone, please do not hesitate to call me.

2000 VACATION BIBLE SCHOOL REPORT

This year's VBS theme, The Fantastic Good News Ocean Odyssey, diving into God's faithfulness was a big splash. The children enjoyed the beach scenes, water and Ocean Lab, and learning that no matter where you are, even miles under water, God is faithful and is always there with you.

I would like to thank all of our VBS Team Leaders this year for all of their studying and preparation for the clinic. You helped make VBS a success. May God continue to bless you.

This year with eleven churches reporting we had a total average attendance of 780, and a total offering of $2,907.04 goiiing to the Cooperative Program. We had two decisions to accept Christ during VBS but many seeds were sown. Eleven churches reporting are as follows:

WOMAN'S MISSIONARY UNION REPORT 1999-2000

The women in the Dock WMUs have been busy this year. We have accomplished a lot and grown in our service to others and the Lord.

Our mission studies were led by Rev. Wayne Faulk and Mrs. Thelma Faulk. Mrs. Joyce Mauldin was the guest speaker at our Pastor's appreciation and Mrs. Vickie Pait from Families First was our speaker at the association meeting. Mr. Richard A. Bartels, a Southern Baptist representative in Moldova was our speaker at our annual WMU meeting. All of these speakers/leaders did a fantastic job.

We gave generously to State Missions, International Missions, North American Missions, Children's Home, Families First, Help Mission, Women Prison Ministry, World Hunger, Christmas in August, and the flood victims relief.

We sponsored/hosted a pastor appreciation; mother/daughter banquets; Sugar & Spice & Everything Nice banquet; Snips, Snail, & Puppy Dog Tails luncheon; Back to School Pizza Party; Christmas parties for nursing home residences; Youth fun day; gifts & fruit baskets for seniors and nursing home; food for recovering drug abusers; food & supplies for needy in our churches and communities.

Our WMU organizations are growing, especially our Children in Action and Youth on Mission. It is our prayer that more churches will start WMU organizations.

If and when we can be of help to you please le us know.

In Christ,

2000 YOUTH REPORT

As we enter the new church year, I ask that we all prayerfully consider how we as an association and as individual churches may best meet the needs of all the youth of our association and communities. During the past year we held an associational youth revival at Dulah Baptist Church. I sent all 18 churches an invitation, I received responses from 5 of the 18. Jones Street Baptist and Dulah Baptist Church represented our association. Westside Baptist Church from the Columbus Association also attended. If I can assist anyone in any way please do not hesitate to contact me.

Respectfully Submitted,
Phyllis Suggs

Baptist Children's Homes of North Carolina

"Quality Service Through Quality Relationships" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything — relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms quality, service and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission . . . the millennium . . . the ministry, was BCH's theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures. . .

Children like Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a place where others care for her. Linda has discovered God cares for her, too.

The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they a found a staff willing to embrace their family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; and a model day care center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than $3.5 million to replace, repair, construct and make-much needed improvements at every BCH location. Most of the work is complete. You are invited to visit our cam-

puses and other facilities to see first hand the difference you are helping us to make.

The commitment to quality has been a cornerstone of this institution since its beginning. **"Quality Service Through Quality Relationships"** was a 20-month public demonstration of this cornerstone. The emphasis places top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food and fun. **"The Family Gathering"** was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30 minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 pm. We encourage you to be part of our ambitious $1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: **"helping hurting children . . . healing broken families."**

North Carolina's **"largest family"** is grateful to North Carolina Baptists for prayers and support. To secure a video or a speaker for your church, or for information about our services, please call (336) 474-1209.

HOSPITAL CONTINUES THE MISSION

In May of 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to $531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina.

SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center for Congregational Health, Inc. continues to develop its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include Intentional Interim Ministry, strategic planning, staff and team development, and conflict management. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.
- Construction has begun on a 350,000 square foot addition atop Ardmore Tower. This will provide more space for Brenner Children's Hospital as well as additional operating suites and private patient rooms.

ADDITIONAL POINTS OF EMPHASIS AND PROGRESS

New Dental Program For Indigent Children - Baptist Hospital has become a major participant in a community partnership to provide dental care for indigent children. NCBH opened a dental clinic on May 8, 2000, where three dentists are treating hundreds of children who previously had little or no access to dental services. Children who had known dental pain as a way of life, or who never had routine services because their parents could not afford it, are now being treated.

Physician Excellence - In 1999, 600 physicians in North Carolina were listed among "The Best Doctors in America"; 95 are WFUBMC physicians.

Nursing Excellence - Baptist Hospital was one of the first hospitals in the nation to receive Magnet Recognition for Excellence in Nursing, demonstrating exemplary nursing leadership and quality patient care from the American Nurses Credentialing Center, the nation's leading nursing credentialing organization.

Ranked Among The Nation's Best - North Carolina Baptist Hospitals, Inc., continues to be ranked among America's best hospitals in ten of 16 specialties, according to rankings published in the July, 2000 issue of *U.S. News & World Report*. This ranking reflects the reputation of specialists at NCBH as seen by their peers across the nation.

Newest Treatment For Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD FROM THE PRESIDENT

From its dedication on May 28, 1923 to the present, North Carolina Baptist Hospital has been committed to our mission of providing the highest quality health care to our patients and their families in a compassionate, caring manner. This report reflects how our mission and values of excellence, compassion, innovation, and integrity are lived out every day. As a Medical Center we continue to be one of the leading research centers in the United States. We provide a wide array of comprehensive health care, across the spectrum of life, to people with the most severe medical conditions. Most importantly, this care is provided one person at a time in a way that reflects the Spirit of Christ, whose healing ministry forms our very foundation.

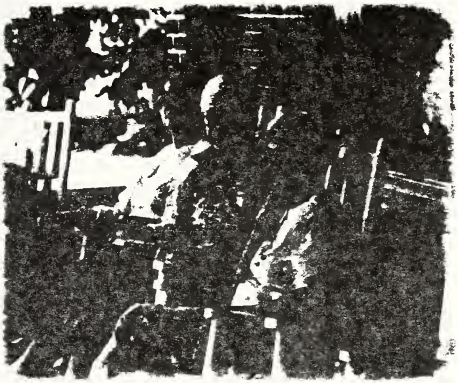
Baptist Retirement Homes: "A Half-Century of Service"



For almost 50 years, the front porch has been a favorite spot of residents and guests at The Taylor House in Albemarle. This residence is an assisted living community made possible by the gifts of North Carolina Baptists.

In March 2001, the Baptist Retirement Homes of North Carolina will celebrate 50 years of service to Older Adults. It has been a wonderful half-century, and the "Homes" is thankful for the privilege of sharing in the life journeys of thousands of "Aging Saints."

The quality of life the "Homes" has brought to these Older Adults has been its best measure of success as it has helped ensure that residents live out their lives with autonomy, dignity, and comfort. The "Homes'" dream is to make life for North Carolina Older Adults what God intended it to be... "The Best of Times."

The "Homes" corporation now owns and operates four retirement communities across the state: the Brookridge Retirement Community in Winston-Salem, a continuing care community offering independent living, assisted living and nursing care; the Western North Carolina Home in Asheville, a community that offers assisted living and nursing care; and the Hamilton Home in Hamilton and The Taylor House in Albemarle, communities that offer assisted living services. Later this year the "Homes" will begin construction on a new community — The Gardens of Taylor Glen, a continuing care community near Concord.

The generous support the "Homes" has received from North Carolina Baptists has enabled it to make a unique promise to its residents: *whatever the future may hold, Baptist Retirement Homes will care for them for the rest of their lives.* Keeping this promise means overcoming many challenges. By 2020 North Carolinians past retirement age will make up 20 percent of the population. While medical science has prolonged life, the effects of aging are often intensified and extended over many years. Many Older Adults exhaust their personal resources and look to the "Homes" for significant financial assistance.

Still Baptist Retirement Homes stands ready to make good its promise of ongoing compassionate and quality care.

Whatever the future may hold, Baptist Retirement Homes will care for its residents for the rest of their lives.

Biblical Recorder Associational Report
June, 2000

Since 1833, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the *Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its mission statement: ***"Our Mission is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."***

As an agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the *Biblical Recorder* maintains a frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of steep postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001.
Currently, the annual rates (including tax) are:

- Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

ANNUAL REPORT TO THE ASSOCIATIONS
2000

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values

a. The Christian Action League again co-sponsored the Fifth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.
b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 15,000 copies have been mailed.
c. Promoted awareness of worldwide persecution of Christians (particularly in Sudan) through email alerts and radio.
d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust".
e. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.
f. Participated in the National Day of Prayer.
g. Set up CAL exhibit at Baptist State Convention and the East and West Districts of the Wesleyan Church conferences.
h. Worked in the General Assembly to stop a bill that would allow physicians to take immediate custody of a child that they felt had been abused. The bill died in committee.

B. Radio

"Christians In Action", Station WAGO (88.7 FM) Snow Hill, started Monday, January 3, 2000. This broadcast consists of a five-minute commentary on issues that affect our lives today. We will begin airing this program on Aug. 7 on New Bern (WAAE, 91.9 FM). Our projection is to ultimately reach the whole state.

C. Gambling

a. Video Poker Machines - The Christian Action League worked round the clock to get video poker banned in this state. We failed getting the ban but were successful in getting SB 1542 to strengthen the law and restrict the operation and expansion of video gambling in the state. We will work vehemently next session in pushing for a ban.
b. Joined Christian Coalition in survey on how Gubernatorial candidates stood on lottery/released results in newsletter.
c. Next session the Christian Action League will be on the front line in the Legislature fighting a state-sponsored lottery.

D. Abortion

a. CAL has purchased the rights through donations of a surgical procedure on a 21-week old fetus that proves that partial-birth abortion is murder. We want to see this picture used extensively in making our case for the pro-life agenda.
b. CAL participated in the Right to Life Rally held in Raleigh.

E. Alcohol

a. Participated in four LBD campaigns since January 11, 2000, and there are three scheduled for a September referendum. We help with their organizational meetings, rallies and providing educational materials.
b. Worked in the General Assembly for passage of HB 1499-Interlock/Open Container law. This bill bans open alcohol containers in the passenger area of a motor vehicle on the highway or highway right-of-way. The bill was ratified on July 13.

E. Pornography

Have produced and aired several radio programs to inform the public of the internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.

G. Homosexuality

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert.

The Christian Action League of North Carolina produces a quarterly newsletter *The Beacon* that has a distribution of over 21,000. We also send out an email alert every Friday to over 150 members to keep them abreast of current moral, ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide for His work.

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptists students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of $8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a gran of $3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good people of my denomination to serve them."*

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible.

Thank you North Carolina Baptists for your continued support of Christian higher education in our state.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
1999 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1999, the Foundation provided assistance to individuals in establishing 20 endowment funds and 12 charitable remainder trusts totaling $3.8 million and received $2.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 122 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance.

As of December 31, 1999, the Foundation held $93,355,200 under management. This is an increase of more than $12.5 million over 1998. During 1999, $1,864,044 was distributed to individuals and $3,418,543 to Baptist work for a total distribution of $5,282,587. During the 80-year history of The North Carolina Baptist Foundation, Inc., $16,081,204 has been distributed to individuals and $25,723,551 to Baptist churches, institutions and mission causes for a grand historical total of $41,804,755.
